The day after Colin's accident happened, we had friends and family wanting to send us flowers or money. Meg and I talked about it and decided that we wanted to use that money and establish a scholarship fund at Bishop Lynch in Colin's name. A fund that Colin, his brothers, family and friends would be proud of. One that could impact the lives of students' needing a little help to enable them to achieve their goals and attend a wonderful school; a school and environment that Colin loved. We talked to Ed Leyden, the school President and he thought it was a great idea. So the Colin Bodensteiner Memorial Scholarship Fund was born.

Because of the generosity of many, donations have been made by BL students, faculty, coaches, BL and St. Mark families, the Dallas area Catholic Community, friends and family in Dallas and all over the United States; Colin's fund has generated over \$135,000.00 to date. Five students have received scholarships in 2007, 2008 and over 20 BL students have received some type of aid through Colin's Scholarship interview process.

Colin's Classic Golf Tournament is an annual event used to raise money for the Fund. The more money we have in our principal balance, the more interest we can generate and thus, help financially assist more students. Our goal is to have the capacity to support all those in need so no one leaves Bishop Lynch because of financial reasons.

My wife and I are deeply committed to the success, character and growth of this Scholarship in the name of our beloved Colin. We thank you for the interest and support in playing in the 2nd Annual Colin's Classic on May 29 at Sherrill Park in Richardson.

We are humbled and thank you for your continued support.
