Camp Information

JPIIHS Soccer Campers:

The John Paul II Soccer Camp is for boys as well as girls, ages 7 to 14. Incoming freshmen are encouraged to attend.

Camp Coaches:

Coaches that will be conducting the camp will be a mixture of JPII coaching staff and coaches from the North Texas Strikers soccer club.

JPIIHS Coaches:

Steven Harvey (11th year of teaching) has been the head coach for all 3 years of boys Varsity soccer and the head Varsity coach for both the boys and girls teams for the past 2 years. These seasons have been highlighted by 3 playoff appearances, 2 Final Four appearances and an appearance in the TAPPS Division 1 State Championship Game.

Ricky Arthur served this past year as the head JV girls coach and assistant Varsity girls coach. He also helped with our Boys team on its march to State. Coach Arthur has been coaching Soccer at the High School level for 30 years. He served for 29 years as the head Boys Soccer Coach at South Garland High School—taking literally dozens of teams to the Texas UIL 5A state play-offs.

Cody Butzke served this past year as the head JV boys coach and assistant Varsity boys coach. Coach Butzke brings a wealth of soccer knowledge and experience. Coach Butzke played collegiately at an extremely high level and he's a veteran of several professional teams including the Dallas Sidekicks and UAG Tecos in the Division 1 Mexican League.

Schedule:

The camp will be held each day from June 8th to June 12th from 9:00 AM to Noon. Adult coaches and members of the John Paul II HS Soccer Program will be in attendance every day until all campers are picked up.

Level of Play:

While the John Paul II HS Soccer Program is extremely competitive for both boys and girls, we welcome all levels of play for our soccer camp. Breakout sessions will be tailored to the age and skill level of participants—with professional assessments at the end of the week for the stronger-level players.

Bonuses for Campers:

Campers will receive JPII camp t-shirts as well as JPIIHS water bottles. Furthermore, individualized player reports will be given—with an emphasis on areas of strength and areas of improvement. Further bonuses will be made available to the younger campers and a great time will be had by all!
