

DPL Track Guidelines 2022

GENERAL GUIDELINES: Athletes are allowed a maximum of 5 total events. Of the 5, only 4 can be running events. They can enter 4 running events but 1 *must* be a relay if entered in 4 and a max of 3 field events. JV Athletes may not be entered in both the 50m and 100m at the same meet. Each team may only enter 3 athletes per event (with the exception of the 50m in JV, see below).

PARTICIPATION: NON-DESIGNATED PARTICIPANTS: In the first two (2) Junior Varsity meets, teams will be permitted to have (3) non-designated entries in the 50 meter run only. **For 2016 and beyond, the 50 will not be a scored event.**

Each team will be allowed one ND ("B") relay team per relay event in JV and Varsity meets. The non-designated participant (s) cannot score points for team

Non-designated INDIVIDUAL participation is NOT allowed in the Varsity meets. For City Meets, there will be no individual ND participation allowed.

JV ATHLETES ON VARSITY ROSTER: For a JV athlete to be included on a VARSITY roster and participate in the varsity meets, that athlete must have won their event(s) in JV meets and then are only permitted to participate in that event at the varsity level (plus relays). Any coach who wishes to enter a JV athlete in Varsity meets must get permission from the DPL office.

CITY MEET QUALIFICATIONS: Each participant who wishes to enter the JV City Meet must have been entered in one preliminary meet and participated in at least one event at that meet. At the Varsity level, athletes must participate in 2 out of the 3 preliminary meets to qualify for the City Meet.

Each athlete must have earned a qualifying time/distance for each event entered in the City Meet, showing that they COMPETED (and were not just *entered*) in that event. EX: to run the 100m run in the City Meet, the athlete must have run the 100m in a prelim meet *and* received a time (did not DQ/scratch, etc.)

A list of field event qualifiers will be sent to the coaches/ADs prior to the City Meet. For running events, anyone with a time from a prelim meet is qualified in that event; there are no qualifying times. For relays, the seed time is attached to the relay itself, so athletes may be interchanged.

AWARDS: At each prelim meet, ribbons will be awarded to the top 8 finishers in each event. At the JV and Varsity City Meets, ribbons will be awarded to 4th-8th place, and medals will be given to 1st-3rd place.

At each City Meet, an "MVP" plaque will be awarded to the male and female athletes who accumulate the most points during the City Meet. Also, an "Athlete of the Year" plaque will be awarded to the male and female athletes who accumulate the most individual points throughout the season.

Team trophies will also be awarded to the girls, boys and combined (boys & girls) teams that accumulate the most points at the city meets.

THROWING EVENTS: The weight for the discus is 1k (2.20lbs). Shot Put weight is 4kg (8.81lbs)

HURDLE EVENTS: The hurdles are at 30 inches for the 100 and 300 hurdles and 33 inches for the 110 hurdles.

The distance between hurdles: 100 Hurdles - 13 meters to first hurdle, 8 meters between hurdles and 15 meters to the finish line.

110 Hurdles - 13.72 meters to the first hurdle, 9.14 meters between hurdles and 14.0 meters to the finish line.

300 Hurdles - 45 meters to the first hurdle, 35 meters between hurdles and 10 meters to the finish line.
